Amplified Nation Big Bloom Pedal. Dumble Overdrive And Distortion Dumbloid. Includes Box and Manual This is a chance to get a very rare pedal in the UK. The Big Bloom overdrive by Amplified Nation, the dumble overdrive special clone builder. This is a clone of the shin music Dumbloid pedal and give a killer dumble tone. In super cool blue suede! Great condition, only mildly used in a smoke free, pet free studio. Manufacturer's Description: The Big Bloom captures the sounds and essence of prized amplifiers. At low gain levels, the pedal produces a very smooth and musical distortion, and at higher gain levels it will throw almost every note you play into controlled feedback. There is noticeable harmonics riding on top of the notes at all volume levels which give a very interesting sound. Some attributes that come to mind – honk, note flipping, smooth singing OD, bloom and lots of dynamic pic attack. Specifications: • Made in the USA • Laser Etched Aluminum control plates • PCB and P2P construction • Teflon Wire • Suede, tolex, or painted enclosures • The pedal can be run off a 9V battery or 9V DC power source • Rock/Jazz toggle switch UK SHIPPING ONLY (FREE)
